BUBBLE STITCH BOATNECK BABY SWEATER

The bubble stitch turns a simple little boat neck sweater into a dramatic treat of color. Ten of the 12 rows of the pattern are just knit or purled. The other 2 are a little tricky, but once you get comfortable with the dropped stitch technique you'll want to knit bubbles again and again. These directions are for baby sweaters, but it's such a basic pattern, you should be able to make it in any size after performing a little simple arithmetic.

Directions:

FRONT: W/multi-color yarn, cast on 44(52, 56, 64) sts. Connect solid yarn and work K2, P2 ribbing in solid carrying multi-color loosely up edge. Work ribbing for 8(10,10,12)rows. First set-up row, w/solid K dec'g 5(5,5,9)sts evenly spaced across row. Second set-up row, w/solid K across row, creating a purl ridge on right side. Work even in bubble pattern until piece measures approximately 8(9,10,11-1/2) inches from cast on edge, ending with either row 6 or row 12. K 1 row, inc'g 5(5,5,9) sts evenly spaced across row. Next row should be a wrong side row. Begin working in K2, P2 ribbing, starting and ending with P3 and continuing for 1-1/4". Divide sts for neck and shoulders: rib 13(15,15,19) sts for first side shoulder, bind off center 18(22,26,26) very loosely (use needle 2 sizes bigger), Rib 13(15,15,19) for sec-

ond side shoulder. Working the 2 shoulder pieces separately, rib for another 1"(1",1",1-1/2"). Place the 2 groups of shoulder sts on holders.

BACK: Work as for front until completion of 6 rows of bubble pattern. Next row, K 1 row, inc'g 5(5,5,9) sts evenly spaced across row. Continue in stockinette stitch until back is same length as front to top of last repeat of bubble pattern. K 1 row on wrong side to form purl ridge under ribbed neckline. Work ribbed boat neck as for front but continue ribbing across all sts until 1/4" before top edge, binding off center sts as for front and then working 2 more rows of ribbing on each side. Place the front and back together rights sides facing each other and join the shoulder sts from front and back together using the 3-needle bind off method. Alternatively, the shoulder sts can be bound off the usual way and sewed together.

SLEEVES: From shoulder seam, measure down 4(5,5-1/2,6)" on each side and place a marker. With right side of work facing, pick up and knit 40(48,54,60) sts. between markers (approximately 2 sts for every 3 rows of stockinette st or 4 sts for every repeat of bubble pattern). Work in stockinette st. dec'g 1 st. each side every 6 rows 2x then every 4 rows until sleeve measures 4-1/4(5,6,7-1/2)". On next row K, dec'g the number of sts necessary to leave 27(27,27,31)sts. K 1 row on WS. Work rows 1-6 of bubble pattern, inc'g 1 st at end of row 4. Work K2,P2 ribbing for 8(10,10,12)rows. Bind off very loosely w/ multi-color yarn. Work second sleeve to match.

Finishing: Sew up side and sleeves seams. Weave in ends.
