Cascade Sierra
Summer Lace Wrap Cardigan

Sierra Lace Wrap Cardigan

By Vera Sanon

This beautiful summer cardigan is worked completely seamless, from the bottom-up. The sleeves and back are joined at the beginning of the raglan decreases and worked in one piece to the neckline. Each front lace piece is worked by picking up stitches along the front raglan and along the side of the back “side seam”. The lace piece is then worked from the side across the front.

The cardigan can be worn closed across the front with a pretty shawl pin or it can be worn open showing off the lovely lace stitch with its beautiful drape.

If you used a small size needle to pick up sts, make sure to change over to the larger sized needles when working Row #1.
